—Rabbi Michael Lerner, Editor of Tikkun Magazine

The Terror of the Unforeseen

By Henry Giroux

Introduction by Julian Casablancas

“Henry Giroux’s *The Terror of the Unforeseen* provides an urgent warning in response to Donald Trump’s collapsing of language, showing us an alternative path through his own thoughtful, compassionate, sincere, and sophisticated writing.”

—Nick Pemberton

“It is a clarion call for citizens who seek truth in the face of disinformation and oppression.”

—Julian Casablancas, Lead singer of The Strokes

“Henry Giroux is aware that only vigilance will save us from the erosion of democracy that is occurring daily in the US and in other parts of the world. As a public intellectual propelled by a strong moral imperative, he has taken on the task of analyzing the causes and effects of this alarming situation in all their complexity. *The Terror of the Unforeseen* is a compelling addition to this ongoing, vital project.”

—Carol Becker, Dean of Columbia University School of the Arts
