Migrations

By J.L. Torres

"Migrations showcases a major talent. It resonates with the music of hard-luck classics from our past, yet sings songs of evasive redemption."

— Luis Alberto Urrea, author of *The Hummingbird's Daughter*

"J.L. Torres's stunning collection *Migrations* abounds with lucid, spare stories about the Puerto Rican experience. Upon reading the first tale, I understood that I held a masterwork in my hands. Torres's unsparing and radiant sentences accumulate into narratives that illuminate the loneliness of exile, unbelonging, and the necessary struggles to find love."

—Yxta Maya Murray, author of *The World Doesn't Work That Way, But It Could*

MIGRATIONS

By J.L. Torres

LARB Libros / Publication Date: June 1, 2021

Price: \$16 / Softcover / 192 pages / ISBN: 9781940660745
