

Dovid Krafchow has been an independent, non-religious scholar of the Torah and other Jewish texts for over 50 years, studying them in their original language of Hebrew and Aramaic. He has been practicing the Tarot for the last twenty years. Krafchow is the author of twenty books fiction and non-fiction related to Jewish life and mystical secrets. He has hitch-hiked 30,000 miles, been in two wars, and spent fifty years independently studying the secrets of creation through the Zohar and Cabala.

“

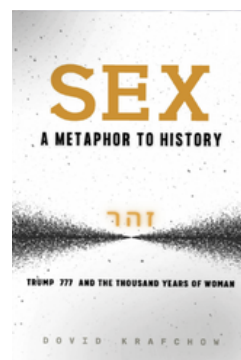

Dovid Krafchow has taken the line from infinity to weave a spiral of time carefully delineating subtle differences flowing through the universe directed directly at the Earth.
